## International Journal of Accounting Practice and Research (IJAPR) Call for Paper

Authors are cordially invited to submit papers for the upcoming edition Volume 2, Issue 1, 2017.

### MISSION AND OBJECTIVES

The journal attempts to assist in the understanding of the present and the potential ability of accounting to aid in the recording and interpretation of international economic transactions. These transactions may be within a profit or nonprofit environment. The journal deliberately encourages a broad view of the origins and development of accounting with an emphasis on its functions in an increasingly interdependent global economy.

### CONTENTS

The (IJAPR) publishes original manuscripts, review papers, technical reports, case studies, conference reports, management reports, book reviews, notes, commentaries, news, comparative studies and literature reviews using quantitative, qualitative or mixed methods approaches. But each one should blend issues related to Accounting Practices. Contribution may be by submission or invitation, and suggestions for special issues and publications are welcome. All manuscripts will be subjected to a double-blind review procedure. Possible topics of interest include (but are not limited to):

- International accounting
- Financial accounting
- Management accounting
- Cost accounting
- Tax
- Auditing
- Accounting information systems
- Accounting education
- Environmental accounting
- Social accounting
- Accounting for non-profit organization
